

World Defense Show Factsheet

About World Defense Show

World Defense Show is a display and demonstration of integrated and innovation-driven defense solutions, set to serve as the global stage for defense interoperability. The inaugural World Defense Show will take place biannually starting March 2022 in Riyadh - Saudi Arabia, to showcase the latest in interoperable defense solutions.

The event will be held in the presence of Saudi Arabia's key leadership, international delegations and prominent industry decision makers from around the world.

More information available at www.worlddefenseshow.com

What is interoperability?
